## Perspective Plan(2022-23)

Government College Barwala(Hisar) is a prestigious co-educational higher education institution co-established in 2008 affiliated to Guru Jambheshwar University of Science & Technology, Hisar. It is governed effectively in tune with the well thought out vision and mission to provide quality education to students. The institution has a commitment to provide the best facilities within the available means and working for the betterment of society is its goal. The Principal and teacher-in-charges take decisions in consultation with the concerned students and teachers. The laboratory and non-teaching staff is integral to the working of the college and their constructive opinions are the part of college decision making process. Thus, the faculty and supporting staff are working in such a favorable environment that they grow simultaneously while doing their job and they remain self-inspired and motivated in guiding students in their academic and career growth.

The College has prepared a Perspective Plan for the Academic year 2022-23. The present Perspective Plan has been prepared keeping in consideration that every higher education institution requires setting up of individual quality benchmarks through a wide array of activities as envisaged in the quality assessment exercises.

In the preparation of the Perspective Plan, the Internal Quality Assurance Cell (IQAC) of the college has taken initiatives. Inputs from all stakeholders, their expectations, management policies and goals and objectives of the college are considered as a base for formulation of the perspective plan. The main contours of the perspective plans of the college are, -

1. To introduce new post-graduate and under-graduate programs in various departments.
2. To strengthen well defined, transparent admission process based on merit coupled with reservation policy and to continue the same process in future.

3. To ensure maximum student attendance in the classes through proactive measures.
4. To ensure the completion of syllabi by all teachers in every semester, through constant monitoring of holding of classes and through the mechanism devised by IQAC.
5. To depute the faculty to participate in seminars and workshops based on curricula.
6. To plan the academic calendar for the academic, co-curricular and extra-curricular activities in the beginning of every academic year.
7. To monitor students' movements and behavior by Discipline Committee of the college.
8. To maintain conducive environment within the campus.
9. To provide extensive support/counselling for the enrolment of students.
10. To provide special programmes for slow and advanced learners.
11. To enhance teaching learning experience by introducing modern teaching aids.
12. To improve the entrepreneurial and critical thinking ability of the students and give proper career guidance by appointing mentors.
13. To adopt more modules of LMS and MIS in administrative and academic activities.
14. To increase and diversify co-curricular/extracurricular activities.
15. To proceed toward complete automation of Library services.
16. To add more text books, reference books, journals and e-resources in the library.
17. To enhance the present CCTV coverage in the campus.
18. To provide in-campus Wi-Fi facilities for all students.
19. To upgrade laboratories and ICT facility regularly.
20. To increase the number of smart classrooms.
21. To gradually switch over to CBCS system in different academic streams.
22. To encourage paperless office culture by procuring ERP software.
23. To organize more number of Gender Equity and women empowerment programmes.

24. To arrange for study tours, field and industrial visits for students of all departments and streams, irrespective of the curricular needs.
25. To improve drinking water facilities with coolers and water purifiers.
26. To work towards building a sustainable environment by shifting to renewable energy sources and to work towards effective management of Solid, Liquid and E-waste management strategies.
27. To take eco-friendlier initiatives.
28. To enhance and upgrade physical infrastructure
29. To maintain all good traditions of the college in studies and other activities.

These are some important indicators of the prospective plans. It is our sincere effort to improve college functioning and the college administration is committed to implement them in letter and spirit.
